

**In today's situation where being clean matters...  
Trust Kleenz DRI for a cleaner and safer environment!**

**PATENTED ALCOHOL BASED FORMULA  
CLEANS, LIFTS AND DRIES IN SECONDS**

**The all-in-one cleaner for Grocers and C-stores**

**FLOORS:**

- Step 1:** Use a flat mop with disposable dry pad or paper towels.
- Step 2:** Spray KleenzDRI on floor, mop the desired area and dispose of the germ-infested pad after each use.
- Step 3:** To stop cross contamination, replace mop pads with each room. To spot clean or wipe up spills on floor, simply use spray bottle and apply a few squirts to troubled area. Use a flat mop with disposable, dry pad or paper towel and wipe until dry. Dispose of pad or paper towel after each use.

**OTHER SURFACES:**

- Step 1:** Throw away your germ-infested bar towels and rags to help reduce cross contamination.
- Step 2:** Using spray bottle, apply a few squirts on surface and wipe each table clean with disposable paper towel or napkin for best results. Discard germ infested paper towel or napkin after each use.

KleenzDRI works on non-porous surfaces including: tile, stainless steel, mirrors, glass and more.

**FOR BEST RESULTS  
Dispose of pad and paper towels after each use to stop cross contamination and throw away the germs.**

**Kleenz Dri allows you to get rid of your germ-infested cleaning buckets, rags, and cotton mops and run a cleaner space for your customers and staff.**

**IMPORTANT:** KleenzDRI is NOT a concentrate. DO NOT ADD WATER. Product is ready to use. STORE AT ROOM TEMP. [www.kleenzdri.com](http://www.kleenzdri.com)
