How is Our Product Pro-Active?

Since it's fast drying, KleenzDri **cleans and eliminates** moisture – the same moisture that is a bacterial breeding ground, thereby it **reduces germs**.

Wet floors are a huge issue. In fact, slip-and-fall accidents are the second-largest insurance claim in the U.S. Pro-active products for **slip and fall prevention** may actually reduce insurance premiums.

2 strokes – dries in 10 seconds.
